

City of Sparta Residents,

This is just a friendly reminder that the annual dog licenses for 2024 are ready for renewal.

Each dog within city limits will need to be licensed. The license serves as identification if your dog becomes lost and ensures anyone who encounters your dog that the appropriate vaccinations have been administered.

In order to issue a 2024 dog license a \$5 fee will be assessed (cash or check only), up to date rabies shot, and a color photo (digital or physical) of your dog(s). Each license is \$5.

Failure to comply could result in a summons with a court hearing and a fine assessed based on the court's recommendation.
