RE: CITY WIDE CLEANUP

Citizens of Sparta,

As we approach “garage sale season” and spring-cleaning time, we know you are wondering when the City-Wide Garage Sale and City-Wide Cleanup will be. This year we are going to be doing things a bit differently.

The **City-Wide Garage Sale will be May 2nd through 4th** and the **Cleanup will begin May 8th and go through May 22nd**. We wanted to increase the likelihood of all our citizens to be able to utilize the clean-up, so instead of a single day of trash pickup we will have roll off dumpster available over several weeks. The roll off dumpsters will be available during the workday.

If you need help getting your bulk trash to the roll off dumpsters, we will be utilizing our maintenance department to help. To have someone from the City get your trash to the dumpster, please call 417-543-7913 to arrange the date and time that best works with you. When calling to arrange pick-up you will need to provide your address, name, and number.

When arranging the City-Wide Cleanup, we wanted everyone to have access to this service and thought this would work out well for everybody. If you have any questions, please do not hesitate to reach out at 417-634-3992 ext. 2.
